circuit only. Secondary/backup  
4G LTE not eligible.

**TPX**  
COMPLETE

All of the essentials in our TPx Complete bundle  
contribute to these high multiple SPIFs. The  
customer gets combined savings and you cash  
in on this industry-first offering.

**New SPIFs valid 3/1/19** Must be minimum 3-yr term • Orders must be new; MACD, MOVES, or RECONFIG are not eligible (except for reconfigs that are new UCx orders) • Sales requiring special pricing (NSR) require prior written exception for SPIF eligibility by SVP • No other promotion stipulations required • SPIF is paid within first commission cycle, once customer has billed • No maximum payout per order (with the exception of UCx and MSx orders) • SPIF qualifying period will be determined by the signed date according to TPx's systems • Cancelled or disconnected orders in first 182 months will result in a SPIF chargeback • POTS lines do not qualify • Only agents with a signed agent agreement can participate and the T&Cs of the agreement apply • TPx reserves the right to change the SPIF program at any time
